	11	29	0	26	6
	12	27	2	31	0
	13	32	0	32	0

25X1A

Comment. As compared with the last reported period, traffic in both directions through Forst and Horka decreased slightly while it increased through Bad Brambach. Eastbound traffic through Scheune and westbound traffic through Bad Schandau dropped somewhat. Traffic in both directions through Frankfurt/Oder increased because traffic through Kuestrin was rerouted through this station. Kuestrin was blocked because of construction work on the Oder bridge.
